### High in Trial & High Combined in Trial

Only teams who participate in the same difficulty level for all elements offered (Container, Interior, Exterior, Buried), and qualify in each are eligible to win **High in Trial**. One High In Trial winner is chosen for each difficulty level; there is no separate High In Trial for the Novice A and Novice B sections. The High in Trial is determined by adding the team's faults across the elements. If there is a tie based on faults, then the team's times across the elements will be summed and the faster-finishing team will win. **High Combined in Trial** is the same as above including the HD element. High In Trial Jr Handler- Awarded to the Junior who qualifies across the most elements with the fewest faults. If two Juniors are tied based on faults, then the faster-finishing Junior will be awarded High In Trial Jr. Teams winning High In Trial will earn rosette. **All ribbons/trophies must be claimed on the day of the trial; none will be mailed. If you must leave, see if someone could get your ribbon.**

All exhibitors should obtain a copy of the Regulations for Scent Work Trials by downloading them from the American Kennel Club website.
