March, 2008

Club News:

Our "February meeting was held on February 14, 2008, we had no visitors.

Lea Anne gave the treasurer's report.

Pat Deucher explained the Columbus Collie Club's interest in co-sponsoring our training classes on a go forward basis. Beginning with this Spring training class, it was agreed that they should share half of the Armory expense to co-sponsor the training classes at the Armory. They will also provide help with the training classes and during our shows when available.

There was discussion about the Ohio Federation of Dog Club International, concerning the present dog bill before the house and senate. Some clarification of the bill is needed before being voted on. It was felt that our club needs representation and input so Lea Anne made a motion for Robert and Betty Willis to attend Ohio Federation of Dog Club International's meeting with the club paying their expenses. Judy Riley seconded it. Don Butts made a motion for Licking River Kennel Club to join the Ohio Federation Dog Club. Lea Anne seconded it and the motions were passed by the membership in attendance.

Everything is ready to go for our Spring Show. The spring show is in Columbus on Monday, April 21st. We still need

This February meeting was an educational meeting and was appropriately held on Valentines Day. Appropriate because our educational video was the first half of "**The Puppy Puzzle**" a video on choosing a new puppy (conformation or pet) and who doesn't love puppies.....
.....especially in our club! Please join us for the second half of this video during our March meeting to be held on March 13th.

****NEWS FLASH****

We have missed seeing the following members at our meetings. In addition, their membership dues are not up to date for 2008. Hillary Daniel and Lisa Werkhaven please join us for our March meeting or contact an officer to update your membership.

Quote of the month:

"The great pleasure of a dog is that you may make a fool of yourself with him and not only will he not

scold you, but he will make a fool of himself too."

Breed of the month:

Collie (Rough & Smooth)

The Collie breed comes in two different varieties – the Rough and the Smooth. The two varieties are identical with the exception of the coat. Not only are Collies beautiful, but they are intelligent, friendly, loyal, loving and sensitive. They are real family dogs and are noted for being very people-friendly. Likewise, they are easy to train. In addition to being very clean dogs, they are one of the easiest breeds to housebreak. Typically the Collie is not a one-man dog. If raised properly and treated with respect, they make an ideal pet for the entire family, and make great companions for young or old. They make great couch potatoes! While they are excellent watchdogs, they are not known for being aggressive. As a rule the Collie is a healthy/hardy breed. Collies often do well in obedience, agility and herding.

****CONGRATULATIONS****

Connie Halliday, Pat Deucher, Katrina Black and Christi Halliday lucky club members who have Collie's in their family.
